CAR PARKING OPTIONS (see map next page). Minimum 3 per car, where possible.

NOTE: Car Parking at Castle Rock Drive MAIN ENTRANCE on Meadow Lane WILL be reduced this year re construction work at the school. The 'island' entrance off the Copt Oak Road (Previously King Edward VII College/now Forest Way School) still an option for at least 50 cars, but please do make good use of the Quarry and Forest Rock Offices parking if required; and we may need to also fill the single file parking bays down Meadow Lane without blocking residents' drives IF everything full.

Thereafter several roads also border the woods/course with direct footpaths leading from Abbots Oak Dr, Rosslyn Rd, Holly Hayes Rd, St. Bernard's Rd, Leicester Rd. Not an official endorsement.... just telling you what these roads are called. IF you park on these or Rosemary Cres, Peterfield Rd & Tressell Rd then please do NOT block drives or cause inconvenience to residents. **DO NOT PARK on Hayes Close**
